Delivering on all your Needs

More than two and a half decades into its existence, the TCS brand has evolved into a formidable symbol of trust & reliability. TCS provides domestic & international express services to C2C, B2B and B2C, with pickup & deliveries crossing over 5 million a month. TCS operates with over 6,000 professional employees, 24/7 call center, 250 plus conveniently located Express Centers, dedicated Chartered aircrafts, 2000 on-line & offline locations, 157 satellite tracked delivery vehicles, and 2,500 couriers with bikes. All dedicated to providing you the best service and reliability in the industry. With a view to enlarging its presence in the global village TCS operates its international hubs in Dubai, London, and Toronto, providing access to its customers to over 3,500 destinations worldwide. The company is fully operational internationally, with its offices in UAE and Canada.
